There are many different types of art, and each has its own unique style and meaning. Some artists use traditional mediums like oil and watercolor, while others experiment with digital and mixed media. The art world is constantly evolving, and new styles and techniques are being discovered all the time. Whether you're a seasoned professional or a beginner, there's always something new to learn and explore in the world of art.

Instructions

< | Read these instructions carefully and then agree:

- 1) For customizing any artwork you have to make sure that the art you are requesting to customize should not be property of any other artist to avoid any plagiarism or copyright issues.
- 2) In any case if you want to customize an artwork that belongs to another artist, then the artist who is creating that art will mention it on the art piece that it is replicated by him/her. It does not originally belongs to them.
- 3) If you try to misguide the artist that the artwork is not an original piece of any other artist, then in that case the account of the customer will be blocked.
- 4) The user have to do half advance payment before the artist starts the artwork.

Note: your customization request will not be sent if you disagree to the instructions.
